The Clubhouse

Fun & Fellowship

For the mild to moderate mentally/ physically challenged teenagers and young adults.

FEBRUARY 2008 Newsletter

From the Director's Desk

Open House. It has come and gone. That means we have passed our 2 year mark as The Clubhouse for Special Needs. Thank you to everyone that helped to get us where we are today.

Fundraiser. We're in the thinking and planning stage. Any input from you is more than welcome. If you want to join us in the planning stage or function on a committee, let us know soon.

Facelift. If you haven't visited our website recently, then it's time to do it again. Our website has had a facelift – a whole different look. We're still in a "construction" mode but all the information is there that you need. I welcome any suggestions or ideas. A SLIDE SHOW is in the works and should be completed in a couple weeks. Enjoy & pass the word!

Additional Staff Needed. Our membership has grown and we need an additional staff person. This will be a paid position - Asst. Dir./Prog. Coord. The most important qualification this person needs to have is a commitment and love for young people who have mental/physical challenges.

Thank you again for loving and supporting The Clubhouse.

Happy Valentine's Day!

FEATURED YOUNG PERSON

KARA is one our very first to become a member of The Clubhouse for Special Needs. She is twenty years old now and is looking forward to being 21 in June.

She is a loyal graduate of Bell High School and is now active in the Transition program. At The Clubhouse, she enjoys crafts, playing games, watching videos, listening to music and just "hanging out" with the others.

FEATURED VOLUNTEER STAFF

AMANDA is also one of the original three to join The Clubhouse in the summer of 2006. She graduated from Bell High School and this May will graduate from the Transition Center of HEBISD. After she completed CPR training and turned 21 she decided to become a volunteer staff person.

She has a genuine love for kids of all ages and enjoys being a leader in encouraging others to interact in the activities at The Clubhouse.

The Clubhouse is: **SOCIALIZATION**. Not **VEGETATION**
