DECEMBER 2011

From the director's desk

Dear Friends,

2011 is about to come to a close. I look back on this past year and see a year that was filled with many challenges especially in the area of finances; but also realize that we made it! We'll start 2012 off with a budget that will carry us through another year without much concern. Praise the Lord for this.

I see 2012 as a year that will be filled with growth and new things. I see a year that will perhaps be the year that we'll see our dreams come true!

We'll be celebrating our 6th year anniversary with our annual Dinner/Silent Auction event. Hope you will be able to join all of us for our special event at the Texas Star Conference Center. More info to come in 2012.

A very special
